MATRIS ImageTrend Users State Reporting Workshop

Please join us for an ImageTrend Users-State Reporting Workshop! Improve your scores and data quality! Improve the documentation experience!

Beechwood Hotel
363 Plantation St, Worcester, MA 01605
Thursday June 20, 2013

The workshop will be broken into two sessions

AM 9:00 - 12:00	For FieldBridge Users
PM 1:00 - 4:00	For services using MATRIS for direct entry or reporting.

****To reserve your spot please respond to Ridgely.ficks@state.ma.us to register by June 12th and specify AM or PM session.**

Note that all services submitting to MATRIS are copied on this invitation even if you are using another ePCR. Your service may have been invited to other vendor sessions, you are welcome to attend both but please indicate all sessions in your RSVP.

We are pleased to invite you to join us for an ImageTrend FieldBridge /MATRIS User Group training/workshop. Joe Graw from ImageTrend will be on site to lead us through reporting best practices and help you maximize the use of your system, whether you have a FieldBridge license or use MATRIS to enter data directly, to provide quality data to the State of MA. Some of the topics that will be covered:

- Troubleshooting data quality errors –Data Quality Report
- Best Practices
 - Preferences/Setup
 - Active Protocols
 - Repeat Patient
 - Document Synching
 - EKG Integration
 - Layout Editor tools – Provider Actions, Pros and Cons of Default Values, Event Visibility, Multiple run form templates

MEMORANDUM

Wireless internet will be made available at the venue.

You will get the most benefit out of the session if you can bring your lap top and credentials to dial into your system during the workshop. . If you choose not to (or are unable to), we can set up individual support time with support staff when you return to your office.

This workshop will be slightly technical in nature and the attendees should have a working knowledge of FieldBridge and MATRIS administration.

We look forward to seeing you there!
